

Medieval Armour
by Avalon Shop

Greek Helmet - Corinthian Helmet

Greek Helmet our replica is based on the Corinthian A type. The helm is handmade of solid bronze. It has no liner as the rivets would have damaged the helmet calotte. But we will add a soft padded cap to each helmet. A perfect piece for collectors and Re-enactors of the Ancient Greek era, such as Hoplites.

| REF: **ULF-HM-54-M**
